STUDY PROGRAMME FOR WHICH A CALL HAS BEEN ANNOUNCED:

- Forestry and Natural Resources Management, in English (120 ESPB)

NUMBER OF VACANCIES FOR STUDENTS:

| | Self-financing |
|---|----------------|
| Forestry and Natural Resources Management | 10 |

CONDITIONS:

In the first year of master academic studies in the study programme Forestry and Natural Resources Management can enroll a person from the Republic of Serbia or abroad who has completed undergraduate academic studies in forestry or other related field of education in the field of technical-technological sciences and achieved at least 180 ECTS credits.

As proof of English language proficiency, the candidate is required to have a Cambridge Advanced Certificate in English (CAE) / IELTS - International English Language Testing System, a compatible diploma or a completed secondary education in English.

CRITERIA FOR DETERMINING THE ORDER OF CANDIDATES ON THE RANKING LIST:

The order of candidates for enrollment in master academic studies is determined on the basis of: general average grades achieved in previously completed studies, length of study at the previous level of studies, compatibility of the study programme, motivation letter and additional results.

Candidates can score 100 points.

Based on the general average grade, length of study and compatibility of the study programme, candidates can achieve a maximum of 30 points, of which a maximum of 10 points on general success, 10 points on length of study and 10 points on compatibility of the study programme with Forestry and Natural Resources Management;

Based on the motivation letter, candidates can achieve a maximum of 30 points;

Based on the additionally achieved results, the candidates can achieve a maximum of 40 points, as follows:

- scientific papers published in journals from the SCI list - number x 2 points;
- scientific papers published in journals of national importance or at scientific conferences - number x 1 point;
- participation in scientific projects - number x 1 point;
- professional papers - number x 0.5 points;
- awards or recognitions - number x 1 point;
- additional scientific or professional training - number x 1 point;
- work experience in the professional field of Forestry - number of years x 1 point;

- work experience outside the professional field of Forestry - number of years x 0.5 points;
The total number of points achieved in this category cannot exceed 40.

TUITION FEE:

Tuition fee - studies in English: EUR 1.450,00.
